

The **Orff Catalunya Association** was founded in July 2020 after 10 years of work with the main objective of spreading the ideas of the **Orff-Schulwerk** and provide a quality training and self-training programme in Catalunya.

## CERTIFICATION PROGRAM LEVELS I, II, III

We are very proud to offer since July 2022 the ORFF-Schulwerk Certification, a specialized and in-depth training program in the didactics of music and movement according to the creative pedagogical approach of Carl Orff and Gunild Keetman. This program is structured into three courses (Levels 1, 2, and 3) with the aim of generating a process of experience, reflection, and practice, where artistic, teaching, and personal growth go hand in hand.

## INTERNATIONAL MUSIC VILLAGE

In 2023, we launched the first international summer course co-organized by JaSeSoi and HOSU, the Orff-Schulwerk Associations of Finland and Croatia, as hosts of the festival on a rotating basis. It is an intensive pedagogical training course of international nature for all individuals who use music in their work.

## WEEKEND WORKSHOPS

From 2010 to 2015 in places like Barcelona and Vilafranca del Penedès with teachers (international and local) like Doug Goodkin, Wolfgang Hartmann, Barbara Haselbach, Jim Santi Owen, Elia Bernat, Andrea Sangiorgio, Luís García and Mireia Aguiar.

## INTERNATIONAL SUMMER COURSES

We have also carried out six International Summer Courses (30 hours) in Sant Cugat and Rubí from 2013 to 2018.

In these summer courses we have done research and art creation of Music and Dance for Education.

## PEER-TRAINING SESSIONS

We organize open forums where people who have trained or are training in the Orff - Schulwerk approach can share their ideas and demonstrate activities they have developed, followed by feedback and discussion from the rest of the attendants.
